For

### PVC Ball Valves with regard to BS 6920

We, WRc-NSF Ltd. UK, are a Water Regulations Advisory Scheme approved Testing Laboratory for testing to BS: 6920.

We have tested PVC Ball Valves manufactured by Kimplas piping Systems Ltd. India in accordance with BS: 6920: Part 1: 2000 "Specification" vide our reports reference MAT/LAB 285L and MAT/LAB 286L both dated September 5, 2006.

The products tested have fully satisfied the requirements of Water Regulation Advisory Scheme's Tests of Effect on Water quality and are suitable for use with cold water.

Yours sincerely,

Mark Norris
